And whereas to facilitate the construction, improving, extension, alteration, repair, maintenance, and operation of drainage works, the Grantor has agreed to permit the construction by the Grantee of the aforementioned works on the said lands and to grant for that purpose the right-of-way hereinafter mentioned.

NOW THIS INDENTURE WITNESSETH that, in consideration of the sum of one dollar (\$1), now paid by the Grantee to the Grantor (the receipt whereof is hereby acknowledged) and for other valuable consideration the Grantor, for himself, his heirs, executors, administrators, and assigns, does hereby give and grant unto the Grantee, its successors and assigns, a right-of-way and the full, free, and unrestricted right and liberty to construct and maintain the aforementioned works in, over, and upon all and singular that certain parcel or tract of land and premises situate, lying, and being in the Municipality of Delta, in the Province of British Columbia, and being more particularly known and

described as all that portion of Lot 239 of the northeast quarter of Section 13, Township 4, Plan 34176, NWD, as shown outlined red on the plan of right-of-way prepared by and sworn to by R. T. Redfern, B.C.L.S., on March 17, 1978, and containing 2,078 square feet, more or less, and being Right-of-way Plan 54421 (hereinafter referred to as the "said right-of-way"):

And this indenture further witnesseth that, in consideration of the said sum of one dollar (\$1), herebefore paid by the Grantee to the Grantor and for other valuable consideration, the Grantor, for himself, his heirs, executors, administrators, and assigns, does hereby give and grant unto the Grantee, its successors and assigns, the full, free, and unrestricted right and liberty to enter upon and use as access to the said right-of-way, for the purpose of constructing the aforementioned works, all and singular that certain parcel or tract of land and premises situate, lying, and being in the Municipality of Delta, in the Province of British Columbia, and being more particularly known and described as all those portions of Lot 239 of the northeast quarter of Section 13, Township 4, Plan 34176, NWD, as shown outlined green on the plan of right-of-way prepared by and sworn to by R. T. Redfern, B.C.L.S., on March 17, 1978, and containing a total of 2,693 square feet or less, and being Right-of-way Plan 54421:

And for the purposes aforesaid to enter upon and have free and uninterrupted access at all times to the said right-of-way, with or without workmen, vehicles, and equipment:

And to enter upon and have free and uninterrupted access for the purpose of repairing, cleaning, and otherwise servicing the aforementioned works, placed by the Grantee upon the said lands:

And it is mutually understood and agreed by and between the parties hereto that this indenture shall be construed as a covenant running with the lands:

TO HAVE AND TO HOLD unto the Grantee, its successors and assigns, forever.

THE GRANTOR HEREBY AGREES that for the purpose of installing the works initially the Grantee may enter upon those portions of the said lands shown outlined green on the said Right-of-way Plan

THE GRANTOR HEREBY COVENANTS and agrees with the Grantee that the Grantor will not erect, place, or maintain any building, structure, concrete driveway, or concrete patio or any portion of the right-of-way:

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not carry out blasting on or adjacent to the right-of-way, without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

And that the Grantor will not diminish the soil cover over any pipe installed in the right-of-way:

And that the Grantor covenants and agrees with the Grantee that any and all chattels and fixtures installed by the Grantee on the said right-of-way shall be and shall remain chattels, any rule at law to the contrary notwithstanding, and shall belong solely and exclusively to the Grantee.

THE GRANTOR COVENANTS and agrees to allow the Grantee, its agents and servants, to enter upon the said lands as aforesaid to install, repair, maintain, inspect, and service the said works, and shall not interfere in any way nor prevent any such person coming on the said land for such purposes.

THE GRANTEE HEREBY COVENANTS and agrees with the Grantor that the Grantee

(a) will not bury debris or rubbish of any kind in excavations or backfill, and will remove shoring and like temporary structures as backfilling proceeds;

(b) will thoroughly clean the site, raking up all rubbish and construction debris and leave the site in a neat and clean condition;

(c) will, as soon as weather and soil conditions permit, and in so far as it is practicable so to do, bury, maintain, repair, and/or replace, and remove all underground works so as not to interfere unduly with the drainage of the land;

(d) will, as far as reasonably necessary, carry out the construction, maintenance, repair, and/or replacement, and renewal of the said works in a proper and workmanlike manner so as to do as little injury as possible:

IT IS MUTUALLY UNDERSTOOD, agreed, and declared by and between the parties hereto that the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the right-of-way, and with respect only to that portion of the right-of-way of which the Grantor shall be seised or which he shall have an interest, but that the land shall, nevertheless, be and remain at all times charged therewith:

And that, save as aforesaid, nothing in these presents shall be interpreted so as to restrict or prevent the Grantor from using the right-of-way in any manner which does not interfere with the security or efficient functioning of or unobstructed access to the said works.

All expenses incurred in the installation of the said works and for repairs, alterations, and maintenance thereto, and in the performing of any and all covenants herein agreed to be performed by the Grantee shall be borne and paid for by the Grantee, and the Grantee covenants and agrees to indemnify and save harmless the Grantor, his successors, and assigns, from any and all loss, damages, or other expenses in any way arising from or caused by anything done hereunder.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and year first above written.
